OVERVIEW:

1. Can you please provide an overview of Shorebreeze II?

The new construction redevelopment of Shorebreeze II Apartments is the result of a visionary partnership between MidPen Housing, the City of Mountain View, and other housing leaders. Shorebreeze, which consisted of 120 units for families and seniors, was originally built in 1980 and MidPen Housing acquired the community in 1997. In evaluating the need for more affordable housing solutions in Silicon Valley, MidPen saw an opportunity to provide more homes for low-income residents by increasing density within Shorebreeze’s original footprint. A total of 62 new affordable apartment will make up Shorebreeze II, replacing 12 townhomes. Construction began in spring 2019. Qualifying households who are temporarily relocated will receive priority to return when construction completes in summer 2020. Additionally, new residents will be income-qualified with a Mountain View live-work preference, and 20 apartments set aside for households at risk of homelessness. The 20 at risk of homelessness applicants will be referred by the Santa Clara Housing Authority. Shorebreeze will provide additional services for all of its residents, adding a Family Services program to its existing Senior Services program. The community’s amenities include an expanded community room, more services space and offices, secured bicycle storage, and EV ready parking stalls.

No applications will be accepted via mail, online or at the property after 5:00 PM on July 31, 2020. Applications postmarked July 31 or before but received at the property after 5:00 PM July 31, 2020 will not be accepted.

Only one application per household will be accepted. Duplicate applications will be removed.

Applications will not be accepted via Fax.

Due to COVID-19 we are strongly encouraging all applicants to apply for Shorebreeze II online at [www.Midpen-housing.org/Shorebreezepreapp](http://www.Midpen-housing.org/Shorebreezepreapp).

Applications will also be available by request at the Shorebreeze II Leasing office located at 460 N. Shoreline Blvd., Mountain View, Ca 94043. Applications will also be available for download at [www.Midpen-housing.org/Shorebreezepreapp](http://www.Midpen-housing.org/Shorebreezepreapp).

At Risk of Homelessness units will be referred from the Santa Clara Housing Authority from their existing section 8 waiting list.

The 2 available HUD section 8 units will be selected from the 3 bedroom waiting list. Note that all 3 bedroom units at Shorebreeze II are HUD section 8 units. 10 of 12 units are to be filled by existing residents that were relocated during construction.

11. **Does it make a difference if I return my application the first day?**

No. A lottery will be conducted roughly one week after the application period has closed and will determine an applicant’s position number. There is NO priority given to those who submit their application on 6/29/20 over an application submitted on 7/31/20.

12. **Is there any application preference for the lottery waitlist or referral list?**

Shorebreeze II Family will have preferences for the following:
Shorebreeze II will give priority to the following households and applicants in the initial lease-up of the units in the project:

1. Eligible households who were relocated from the Shorebreeze residential units that were demolished to build the new project.

Shorebreeze II will give preference on the non-HUD Project-Based Section 8 and HOME units to applicants who:

1. Have been displaced by the existing Shorebreeze project.
2. Currently live or work in the City of Mountain View.

Shorebreeze II will give preference on 20 Housing Authority of Santa Clara County Project Based Vouchers to families at risk of homelessness: a family whose head, spouse or sole member is at-risk of being homeless as defined:

1. At Risk of Homelessness definition: Applicants must meet all criteria
   1. The individual or family is danger of losing housing or missing a rent payment within 21 days;
   2. The individual or family's annual income is less than 50% of the Area Median Income, adjusted for family size;
   3. The Head of Household has less than $1,000 in a bank account
   4. Must also complete and sign the “At Risk Of Homelessness Certification form

13. How will the preference be applied to the lottery?

The Live/Work preferences described above will be applied according to the following:

The application will contain questions regarding local residency preferences. Note that this application will not place applicants on the referral lists for the Housing Authority Program. All applications received during the initial open application period will be entered into an Excel database, with a preference category corresponding to the Live/Work Preference as a sortable column.

The lottery list is then sorted, first by preference category and second by lottery number, so that all of the applications with a verified Live/Work Preference are filtered to the top.

In order to verify eligibility and entitlement to the local residency preferences, applicants must provide at time of interview documentation that demonstrates that they meet the live or work preference at the time of application. A list of acceptable documents will be provided to applicants prior to their intake interview.
14. Will all applicants receive an interview letter?

No. Once the lottery has been conducted and sorted, applicant interview letters will be distributed. Shorebreeze II will process 4 to 5 applications for each available unit and send out the appropriate number of interview letters to meet this target. Applicant interviews will begin in Early August, 2020.

15. How are Lottery applications processed and apartments assigned?

Applications will be processed in the order of their preference category and lottery number. Interviews will be scheduled and third-party income and asset verifications will be sent out for the unit size and restricted income level that the household qualifies for.

Shorebreeze II will process 4 to 5 applications for each available unit and send out the appropriate number of interview letters to meet this target.

Once all third party verification forms are returned and the file is deemed complete and approved, a unit is assigned. Units are assigned based on the “first approved file,” regardless of lottery number.

Applicants not contacted will be placed on the waiting list upon completion of the lease-up at 100% occupancy. The waiting list will maintain the original preference category and lottery number order.

As units become vacant and turn over, applicants on the waiting list are contacted in order of preference, lottery number, and then household size and household income order to qualify for the specific unit size and income restriction level of the available unit.

16. What will I need to bring to my interview?
