

### The MidPen Mission

To provide safe, affordable housing of high quality to those in need; to establish stability and opportunity in the lives of residents; and to foster diverse communities that allow people from all ethnic, social, and economic backgrounds to live in dignity, harmony and mutual respect.

[www.midpen-services.org](http://www.midpen-services.org)

“Everyone needs  
a house to live in,  
but a supportive  
family is  
what builds  
a home.”

— Anthony Liccione

## MidPen Family Services

Growing bright futures for this generation and the next

# Growing bright futures for families

When you don't have a stable home, it's hard to see the possibilities before you or imagine a life that provides more opportunity for your children. That's what it's like for many families without a home they can afford. Moving into a MidPen community changes all of that, allowing them to focus on other areas of their lives and build bright futures.

MidPen Services, an affiliate of MidPen Housing, empowers thousands of our residents to leverage the opportunity that stable housing offers to transform their lives. We inspire them to see what's possible and partner with them to achieve it.

## Making a difference with community-based services

With the support of an expanding network of best-in-class partners that offer high-impact programs and services onsite at MidPen communities, the families we serve advance in multiple ways.

### Adult services

**Financial capabilities** – Goals-based financial literacy programs educate families on growing their savings and considering home ownership.

**Workforce development** – Career counseling, ESL classes, and tuition assistance lead to better jobs, improved retention, and increased household income.

**Health and wellness** – Onsite screenings, food distribution, health insurance enrollment, and nutrition classes result in better health.

### Youth services

**After-school and summer programs** – Nationally recognized academic programs equip youth (ages 5 – 12) to perform at grade level or higher. Skills-building curricula and literacy development that augment their in-school course work further increase their academic success.

**Leadership skills** – Youth in our programs assume leadership for projects that have a positive community impact. Participants (grades 7 – 12) also engage in career and college exploration.

“

I was able to get a bachelors. I was able to get my masters. And now I'm registered with the state to get my clinical hours in social work.

I truly believe it's because of MidPen that I've been able to get to where I am today, with wide-open opportunities for both myself and my daughter.”

—Jearena Franklin,  
MidPen Resident

“

Our partnership with MidPen aligns perfectly with our commitment to provide financial wellness education. By delivering workshops onsite where our clients live, we're able to make this important information as easily accessible as possible in an environment where they feel most comfortable to ask questions and engage.”

— Michele Enriquez-Da Silva, Lead Community Relations Manager, San Mateo Credit Union

## Multiply your impact

Organizations who partner with MidPen Services can deliver services onsite to more than 17,000 residents right where they live, resulting in increased participation and leveraged resources.

By joining our network of partners or providing financial support, you multiply both your investment and your impact. Together, we will transform lives.

**Join us. See what's possible.**
