

FIREHOUSE SQUARE

FAMILY HOUSING

Belmont, CA

MidPen
HOUSING

The result of several long-range planning and visioning efforts by the City of Belmont and MidPen Housing, **Firehouse Square** is a vibrant, mixed-use affordable housing community along amenity-rich El Camino Real. Firehouse Square will provide 66 rental homes for families and individuals, including those with supportive housing needs, in summer 2022. The development began construction in August 2020.

MidPen partnered with Sares Regis in 2018 to develop a portion of a site located in downtown Belmont that was originally planned for market-rate apartments with an inclusionary requirement. The development is a collaborative effort among local and regional agencies.

The community's unique design includes incorporating the façade of the existing vacant historic Firehouse building into the Mission-style Architectural exterior design. Firehouse Square will be adjacent to several diverse retail and restaurant businesses and is within a half mile of a number of amenities, including a Caltrain stop, three bus stops, three pharmacies, a public park, Safeway grocery store, and a public middle school.

Residents will enjoy onsite amenities such as a community barbecue, playground, tables and open seating, bike storage and community room. MidPen Services will provide onsite programming for adults and youth, including an after school program in a dedicated classroom space.
