SENIOR HOUSING

Mountain View, CA

MidPen  
HOUSING

Monte Vista Terrace is an attractive community for seniors that was acquired by MidPen Housing in 1990 to preserve its affordable housing status.

Surrounded by community gardens and landscaped courtyards, all rental apartments include kitchens furnished with refrigerators and stoves, wall-to-wall carpeting, and private patios or balconies. Community amenities include a library, community room, computer technology center, laundry facilities and community gardens. A variety

of social activities and services are offered on a regular basis, and MidPen Resident Services addresses the “aging in place” needs of the residents.

In 1991, Monte Vista Terrace received the City of Mountain View’s Mayor’s Award for providing an attractive affordable housing community and activities for seniors and adults with disabilities.
