RESIDENT SELECTION PROCESS

1. When your pre-application is considered for a unit, we will contact you to come into the Management Office for an interview and to complete a more detailed full application at that time. *Interviews and verifications may be processed in advance of unit availability. Your application may be processed in anticipation of an upcoming vacancy and will be held for the next available vacant unit.*
2. Third party verification will be obtained from all related sources to confirm certain components of the eligibility/qualification requirements; for example, income, assets, landlord references, and preference eligibility.
3. It is your responsibility to inform the management in writing of any change to the information on your pre-application or application (e.g., address, household size, and total household income). You must respond to the waitlist update letter when mailed to your address on file, which typically occurs every six months. Failure to contact the Management Office about a change in information or failure to respond to the waitlist update letter can result in removal of your application from the waiting list.

A full, detailed **Resident Selection Criteria** describing application and qualification processes is available to all applicants in the Management Office or electronically by request to Pickeringplace@midpen-housing.org.

APPLICATION PROCESS

Applications can be obtained and/or entered online at <https://www.midpen-housing.org/property/pickering-place/> or can be picked up in person at the management office. Applications successfully submitted electronically will receive an automated confirmation. The management office will also accept completed paper applications in person or via US Mail during the application acceptance period. All applications will be entered electronically by proxy if received in paper form.

LOTTERY PROCESS

A lottery that determines the waiting list position of applicants will be run periodically during the application period and applicants will be placed on the waitlist in order of the lottery number within consecutive runs. The first lottery will occur at the end of the day May 6, 2025, and the following lottery will occur when the waitlist closes on May 20, 2025. All applications are entered either by the applicant directly or by proxy. Proxy applications will be entered when received to be included in the consecutive lottery runs. Those applications postmarked on or before May 20, 2025, will be included in the lottery. The automated and randomized lottery process assigns a lottery number to each applicant on the waitlist. The applicants will be ranked in order of lottery number within each lottery batch and each previously run batch will be exhausted before the next batch is used.

The lottery will be conducted electronically and is closed to the public.
