RESIDENT SELECTION PROCESS

1. When your pre-application is considered for a unit, we will contact you to come into the Management Office for an interview and to complete a more detailed full application at that time. *Interviews and verifications may be processed in advance of unit availability. Your application may be processed in anticipation of an upcoming vacancy and will be held for the next available vacant unit.*
2. Third party verification will be obtained from all related sources to confirm certain components of the eligibility/qualification requirements; for example, income, assets, landlord references, and preference eligibility.
3. It is your responsibility to inform the management in writing of any change to the information on your pre-application or application (e.g., address, household size, and total household income). You must respond to the waitlist update letter when mailed to your address on file, which typically occurs every six months. Failure to contact the Management Office about a change in information or failure to respond to the waitlist update letter can result in removal of your application from the waiting list.

A full, detailed **Resident Selection Criteria** describing application and qualification processes is available to all applicants in the Management Office or electronically by request to schapiroknolls@midpen-housing.org.

LOTTERY PROCESS

A lottery that determines the waiting list position of applicants will be completed after the waitlist closes and all applicants are entered either by the applicant directly or by proxy. The automated and randomized lottery process assigns a lottery number to each applicant on the waitlist. Applicants will be ranked in order of lottery number after applying any community preferences and unit sizes.

The lottery will be conducted electronically and is closed to the public.
