

SUMMER OAKS

FAMILY AND FARMWORKER HOUSING

Sonoma, CA

Summer Oaks will add 72 affordable apartment homes (including one manager unit) in Sonoma. Fifty-two of the units will be set aside for agricultural households and two of the 18 project-based voucher units will have dedicated referrals from Sonoma County's Coordinated Entry System.

Nearby amenities include soccer and baseball fields, a large playground, picnic sites, and nature trails at Sonoma Creek Maxwell Farms Regional Park. Groceries, restaurants, retail, health care, and public transportation are within walking distance of the property.

MidPen acquired the project site in 2022 from the neighboring hotel developer and jointly built the offsite public infrastructure to serve both the hotel and Summer Oaks family housing.

Summer Oaks received land use entitlements in 2021 and secured all necessary financing in October 2024. Construction for the 72 affordable family homes began in March 2025 and is expected to be completed in September 2026.

Summer Oaks will provide much-needed affordable housing to families, including units set aside for households that work in agriculture, and provide all residents with on-site services.
